

Exciting News Footballers

As you are aware all football worldwide has come to a stop due to Covid-19 and players are keeping safe and practicing social distancing while keeping up with ways to work on their footy skills. As a way to connect football players from all parts of the world, Norwest United FC and Waitakere City FC are very excited to announce that we're challenging some of our friends in Canada to a 'Football at Home Skills Competition'. Fusion FC, Richmond Girls Soccer Association, Killarney Football Club and the Italian Cultural Soccer Federation have all accepted the challenge! Over the course of the next few weeks, we will be uploading videos on our social media accounts of the best skills that players from each club have to offer! A wide variety of challenges will be released periodically throughout the coming months. Lets get our creative football minds firing and see how football can connect us all over the world during these challenging times.

The first challenge is the 'Trick Shot Challenge'. Make sure you use some props around the house to come up with a crazy trick shot! Bonus points for the most creative and complicated shots, just make sure you don't break anything valuable! Once you've created your video upload it on your own personal social media account and make sure you tag your club and use the hashtag

#FOOTBALLDISTANCING

Challenge #1

TRICK SHOT CHALLENGE

Objective: Volley a ball into a target (i.e. trash can, laundry basket, backpack, basketball hoop, goal, tire). The trick is to be as creative as possible in getting the ball from point a (you) to the target.

We will announce the winner on our club's social media platforms. Winner will be the most creative video as decided by the judges.
